Event

MWA Frostbite Series

Venue

Rutland Water Whitwell

29th & 30th November 2008

Rutland Water is one of the best inland course racing venues in the country. Rutland water offers competitors not only a large exposed expanse of water but also plenty of grassy shoreline for rigging. There are excellent vantage points for those watching the racing. With hot showers and changing facilities on site Whitwell is an excellent racing venue. All fleets and classes will be welcome. As usual we will go out of our way to accommodate any junior sailors as well as challenging our more experienced sailors to the max. Overnight parking at £5.00 per night.

Fleets & Classes to be sailed
